

BEYOND MED PLANS - DISCOUNT PLAN – REVIEW OF BENEFITS

In response to the rising demand of elective medical treatments, Beyond Med Plans (“BMP”) has strategically formed a unique provider network offering discounted rates on an extensive variety of such voluntary, elective and/or cosmetic service providers. Members of the BMP Discount Plan are eligible to receive discounts on these voluntary, elective and/or cosmetic treatments immediately upon the effective date.

The member of the BMP Discount Plan is eligible to receive a discount of up to twenty percent (20%) on treatments offered by providers within the BMP network. Please verify the level of discount that your provider of choice has assigned for your selected treatment, prior to the treatment.
